DEPARTMENT OF INDUSTRIES AND COMMERCE.

From
The Addl. Director of Industries and Commerce, Chepauk, Madras 5.

To
The Secretary to Government, Agriculture Department, Madras 9.

R.C. No. 23560-X3/55 dated 29th Nov.,1955.

Sir,

Sub:- Education - Fisheries High School at Bekal - South Kanara District - Library Books - Supply of - Sanction - Requested.

Ref:- This Office letter No. 16128-X3/55 dated 27-9-55 to Government.

In this Office letter cited I have submitted - proposal to Government under Part II Scheme for 1956-57 for the opening of Form VI and Kannada Section in form II in the Fisheries High School at Bekal. In the proposal a sum of Rs. 1500/- has been provided among other things for supplying library books. The orders of Government are likely to be issued only by March or April 1956 as the proposal was submitted as Part II Scheme for 1956-57.

The Assistant Director of Fisheries, Mangalore reports that the above school is in urgent need of at least some library books now, as the present stock of library books is quite - insufficient to meet the requirements of a High School. The books available are detailed below .

Malayalam books	275
Hindi	41
English	4
	320

There are no library books in Kannada though Kannada Sections has been opened during the current year with Form 1. The existing number of library books is quite insuffic for the present number of students and teachers of a High School with form I to V.

This year a sum of Rs. 375/- has been collected as Library fees from the students and credited as receipts. For the time being at least library books worth about Rs. 500/- are - necessary. Further Library books can be purchased in 1956-57 after receipt of Government sanction.

I, therefore, request that Government may be pleased to accord sanction at a very early date to incur an expenditure of Rs. 500/- for the purchase of Library books required for the Fisheries High School at Bekal. The provision of Rs. 1500/- made towards the purchase of library books in the proposal submitted with this Office letter dated 26-9-55 as Part II Scheme may be reduced to the extent of the amount now asked for.
